REEA's Gold Standard Certification, a three-part Instructor Development Workshop, is designed to enhance instructor delivery and improve student learning. REEA understands the importance properly skilled instructors play in creating a highly engaging learning environment for students. With this in mind, REEA has designed the curriculum for the series of IDWs to support the development of this skill set. It provides critical training for both new and current instructors. All REEA GSI IDW sessions must be taken in order. To earn your REEA GOLD certification you must complete all sessions within 3-years and be a member of REEA. [REEA.org](http://www.REEA.org)
